The 48 Hour Affiliate Action Plan Many and I mean many Internet marketers have gotten their start through affiliate marketing. Consider this you can start making money without creating a product, without dealing with support nightmares and even without a website. And you can get started immediately. You get paid by bringing buyers to sellers. When they buy, you get a piece of the action -- called a commission. So, if a prospect buys a \$50 product, and the product pays 50 commission you will make \$25.
