Turning The Herd Into Cash In this report, I am going to outline a few ways that you can start selling to the Herd Mind.. Although some may not want to admit, just about everybody is a part of the herd mind at one time or another, some are always and will be for the majority of their life. The herd mind is simply people following people. We are brought up to be lead and listen to authority. Once we are old enough to think for ourselves, we usually become a part of the herd mind in one form or another. Its the whole idea of everybody else is doing it so it must be right..
