Introverted young reporter Garrett Kowalski is unprepared for the reality of his weekend assignment at the Folsom Street Fair, where he's assigned to interview porn stars, including Justin. Garrett has no choice but to come out of his shell when Justin and his co-worker tease him up onto the stage for a live demonstration. That might have been that-just a one-off job-but Garrett takes advantage of follow-up fact checking for his article to get to know Justin better... and it leads to an unexpected friendship and flirtation that just might grow into something more.
