Caleb's Woman Eve Vaughn In an attempt to take charge of her life, Sommer opens her own catering company. With the encouragement of a friend and the foreshadowing of a tarot reading, she decides to take a lover, although she can only imagine one man in that particular role. Caleb Masters. There's only one problem. She's human, and he's not. Caleb has wanted Sommer for years, but had bided his time until she was ready to accept him as more than a big brother figure. So when she jokingly declares she's ready to take a lover, he knows he's the man for the job. Nothing will stop him from claiming her as his woman. Although they embroil themselves in a red hot love affair, Sommer believes it can only be a brief fling. Caleb, however, will do anything to convince her she's the only one for him.
