Grace couldn't get Hatuey out of her head; so beautiful and sexy. Port Salut would be the perfect place for them to spend time together. Since the volleyball party, her emotions had taken over her mind and isolated her inside a pink bubble. Far from her mind was the idea of Earth's planetary course through the cosmos. Further removed from her reality were age-old rituals and drum rumbling possessions. She had no clue that her DNA had uniquely prepared her for 2012. Luckily for her, Canela and Joel were there to cover for her when she disappeared on a romantic rendezvous. But when they came face to face with a zombie, they discovered that reality is more than what meets the eye. They had to find Grace; it was the first step of this phenomenal journey on their Caribbean mission.
