Details: Antoine Batiste, formerly known as Negoti8or from Trendsetaz was born and raised in California. In 1998 Antoine enlisted into the Military and experienced many ups and downs throughout his Military career. As he strayed further from the Lord his life began to take a turn for the worst until the Lord got his attention when he found himself sitting in a jail cell. However, it was only a matter of time before he was right back into the same things only deeper. After releasing the "Trendsetaz Album" Antoine was convinced that secular music was his future until he received the phone call in January of 2004 that his brother DJ MARCO POLO R.I.P. had been killed in a car accident. While at the funeral the Lord revealed to Antoine that if he did not get it together quick, he would be next in the casket. So in April of 2004 Antoine began to take you into his life as he worked on "NEVER LOOK BACK" with the intention of saving as many souls as possible by bringing a new secular sound to Gospel, bringing the Word to the streets. In July of 2005 Antoine started his own Record Label "SHOPHARECORDS" his Debut Album titled " NEVER LOOK BACK...MY SOUNDTRACK MY LIFE" was released on August 30, 2005. An action packed musical Blessing from beginning to end. Often referred to as "one of the best hip-hop albums ever made! " With its catchy soulful make you want to sing along choruses and life changing message. This album is ending up in the stereos of non-hip hop fans even becoming one of their favorites. When listening to the album there is no question about the Anointing on Antoine's life. It is more than evident that the album is God inspired with songs like "Endurance", "Hold On", "No More Pain", and " Religious". The CD is quickly becoming a huge success with the hits "My Rib", "Divergence", and "Have Fun Tonight." All of which are original. This is a must have for your music library! Antoine is a true humble

servant of God and definitely an Artist guaranteed to blow up as he shares the Ministry that God has placed in him. He truly has a heart for the people and is on a mission to take back everything the devil has stolen. He is the "Breath of Fresh Air" rap and hip-hop fans have been waiting for.
