The new album Beastly Beings coming soon. 12 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hardcore Rap Details: It's tough times at the moment, prices are inflating and money is hard to come by. What better way to survive at a time like this than to practice your own personal form of 'Hustlin'. What better way to be motivated and inspired to hustle than music focused on Honoring the go-getters. This LP is a overview speaking on every aspect of a Hustla; the drama, the thawt process, the women, the children, the stress and lifestyle evolving around this special kind of person. Whether legal or illegal they do things big and in a aggressive way focusing on the DOLLA. Facing ups and downs, hard times and enjoyable moments the drive that keeps em' going is the RISK to get rich, ending up with endless BIG FACES supporting the families every need. Produced by a West Coast native named Mo' Hits (courtesy of Cool House Records), giving it that laid back, smooth, mellow type of vibe. Making it easy and understandable to those trying to comprehend the meaning, while enjoying art in it's rawest form. Writin and organized by Cincinnati's born and raised giving you Southern Ohio's view on life as a Hustla. As the speed of life picks up in Cin-City every Hustla from narcotics and jack boys to bootleg cd's and candy trucks are surviving and defying the odds of these tough and struggling times in the mist of increasing murders and violence. All-in-all it's a gold mine here and folks haven't really recognized the full potential we have. This is the city that gave the world Babyface, L.A. Ried, Bootsy Collins, The Isley Brothers, and got James Brown on his way to being the God Father of soul. And it doesn't stop there, not by a long shot. So welcome to the rebirth and enjoy. BEASTLY BEINGS COMING SOON TELL US HOW YOU LIKE THE BONUS TRACK PRODUCED AND WRITING BY CIN-CITY'S FINEST.
