This CD draws on its Appalachian roots, providing a mix of bluegrass, country and folk, as well as a little rock'n'roll thrown into the mix. These original songs are miniature stories with powerful lyrics and instrumentation.. 13 MP3 Songs FOLK: Power-folk, COUNTRY: Bluegrass Details: This Cd is great!! It covers bluegrass, country and folk, as well as jazz and rock n roll. The lyrics are fantastic and deep. The originals that these two brothers have recorded on this Cd are diverse and are miniature stories. You will enjoy listening to this dream come true for Greg and Paul Lowe. They have been playing and writing together for 25 years! You will be impressed with their talent, and the musicians from both Finland and the U.S.A have given this CD a fantastic flavor. Order it today and you will be glad you did!! Greg lives in Helsinki Finland and Paul lives in Ohio, and this Cd was recorded in both location as the two brothers traveled back and forth on visits. Greg works for Yle Radio and Television in Helsinki and Paul has his own business in Ohio. Greg has a Doctorial in Communications and Paul has a Degree in Education. They have been running bands together for many years but have now gotten the money and opportunity to start recording their songs together at last! It's a dream come true for two boys who grew up in the appalachian hills of Sidney Kentucky. The background of their lives is clearly seen in this record as each song tells a small part of their adventures and experiences. The songs sound like the music of Johnny Cash, Bob Dylan, Tom T. Hall and Harry Chapin in style and depth. Every song on this CD is availble for you to sample, so Enjoy!!
