Pop, country rock, folk, easy listening, all wrapped into one. 14 MP3 Songs POP: Folky Pop, EASY LISTENING: Soft Rock Details: After playing for many years in the Albany, New York area, this Crusader 4 took time off to pursue a career in the printing industry. Now finally getting a chance to express some feelings for the things seen in life, this singer/songwriter, who has waited years to put together a CD, is now ready to unleash his 2nd CD, and plans on much more original music with a unique style and message. These will be songs that many of his listeners will be able to relate to. All of the music you hear was written and sung and all instruments played by this one-man band, who is Crusading 4 many things in life. Enjoy this unique CD of many styles of music, written and performed entirely by Dennis Palm Fiato.
