Mp3 David Ippolito - It's Just Us

DOWNLOAD HERE

Live CD of David's performance in March of 2000. Great, mature, adult contemporary folk pop with nods to James Taylor, Billy Joel and Don Henley 18 MP3 Songs EASY LISTENING: Love Songs, FOLK: Modern Folk Details: Since 1991, David Ippolito has been playing his guitar and singing in Central Park whenever the weather permits. Over the years he has been featured in newspapers from The New York Times to weekly community papers in Russia, on television local and national news, and on radio stations, both internet and traditional. David has been called New York City's best kept secret, and inspires countless people to think of New York City as a warm and fuzzy place. Now, that's quite a feat. Album Description In his fourth CD, David Ippolito is recorded live in concert at Merken Hall in NYC. This 70+ minute CD contains some of his older songs and a host of new ones that were written for this occasion. Along with his originals, David covers some of the best music of the 60s and 70s. Performers Accoustic Guitar and Vocals - David Ippolito Acoustic and Electric Guitar - Roger Bartlett Additional Vocals - T Stubbs, Roger Bartlett, Veronica Mittenzwei, Shayna Steele, Joyce Stovall and Carol Lee Goodgold
