Contemporary Gospel, HIP HOP/RAP: Spiritual Rap Details: Determined to take back the beats of the street and give it to God for His glory, Richard Britt founded Determined Disciples Ministries. On a mission to worship our Great God and inspire others to do so, the Radical Praise CD was birthed to provoke God's people to praise His holy name uninhibited and unashamed. Secular radio is full of derogative suggestions and ungodly lyrics; and more alarming is that our young people are still drawn to this music. Satan has launched a massive spritual attack against this generation through music and Richard Britt Jr. has launched a counter-offensive with HOT beats and God's word with this first installment of many exciting projects to come.
