Tia's finest work to date with songs that are uplifting, moving, and tell a story the way it's meant to be told. 14 MP3 Songs COUNTRY: Country Pop, ROCK: Roots Rock Details: Every once in a blue moon a voice resonates with a message that embraces generations. Tia McGraff is that voice! Her gutsy alto, ranging from soul-stirring passion to angelic beauty, has been heard everywhere from The Toronto Blue Jays to the Frank Brown Intl. Songwriting Festival, Alabama and the coveted spotlight of Nashville's Bluebird Cafe. Both of Tia's indie album releases "Small Town Life", and "Jewel's Cafe", won praise from both fans and critics in Canada and Europe. including nominations for indie album of the year in Europe, and video airplay on CMT . Tia has written and recorded with such notable talent as Randy Bachman (BTO), Dan Hill (Celine Dion), Andrew Gold (Linda Ronstadt), and her performing and co-writing partner Tommy Parham (Lee Greenwood). 2005 will be an exciting year for them as Tia releases her latest album, "Outside Of The Circle", a collection of "life inspiring" songs that will plant Tia firmly in the Americana and singer/songwriter genre. She is currently filling her calendar with tour dates that include house concerts, festivals and songwriter nights, in the U.S., Canada and UK. Together, Tia and Tommy create a sound that has been described as inspiring, magical, honest, and worth coming back to hear again and again!
