A harlem child who sings from her heart with a rhythmic flow that appeals to all age groups. Toni has the gift. She wrote, and co-produced this CD. She has made a name for herself and has performed with some of the industry's most seasoned musicians. 10 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: R&B Pop Crossover Details: Toni Menage is that new hot sh_t the music industry has been searching for. She has all the style of an Alicia Keys or an Eve with the old school vocal abilities of a Chaka Khan mixed in with some Mary J Blige. Not only does she write and co-produce all of her material but she can spit(rap)with the best of them. At 28 Toni has made a name for herself in one of the greatest and most competitive cities in the world. You can catch her on any given evening singing live at N.Y. Hot Spots such as The Groove, The Village Underground, and Pure Lounge, just to name a few. Her Debut CD was featured in "Talent in Motion Magazine" September, Issue # 3. Coming from a musical family background Toni has had lots of exposure to the in's and out's of the music business. She is stage ready, but she keeps it real with her Harlem roots and training, and the street flavor a New York City woman. I am proud to represent Ms. Toni Menage.
