These powerful and complicated marketing softwares are too complicated and expensive for the average persons to use, but these guys will do all the work for you, they have already gone through the complicated process of learning and executing the application of these softwares. They use XRUMER and SENUKE to name a few. If you google backlinks online you will see the importance of having relevant backlinks websites with a high page rank that link back to your products or services website url. For example if your selling marketing ebooks and you want to get massive website traffic from the major search engines like GOOGLE, in the search term marketing ebook; you will want your website to show up at least from page 1-3 where 90 percent of all website search appear for any search term on google; so what must happen is that powerful aged high page rank website preferable website that are similar to marketing ebooks must have a hypertext clickable keyword marketing ebook leading back to your site,

and that is how you will start to climb up to page one of the google search term marketing ebook , where your tradebit product url will show up at least from page 3 or even better page 1, for people searching for the search string, marketing ebook. The website linking back to your site must at least have a do follow and be a page rank of at least 3-6, google is page rank 9 and facebook is rank 10 ,10 being the best and highest! The problem with getting backlinks on your own is that it is very tedious doing this all manually signing up with these forum, or blogs website and putting backlink of a hypertext keyword relevant to your web site in your registration profile url, the reason why is because you will have to have at least 800-1500 website linking back to your website to appear anywhere from page 1-3 on google search for your product keyword and it will take forever manually. The beauty of all this is that these freelance webmaster can create 1000s of high page rank links for your website in a few days and even indexed them by pinging them so that the search engines can pick up the info and index them speedily in several hours only a process that usually take a few weeks manually. The freelance webmasters have several website marketing service like offering to connect your website to 1000s of high page rank gov and edu backlinks all for less than 10\$ and they will do all of the linking for your tradebit product url and indexing using SENUKE and XRUMER!! They even offer Facebook and Twitter traffic service like giving you 10,000 instant facebook and twitter followers for less than \$10. Getting one of these backlinking marketing website optimization service for less than \$10 can easily produce 400-1200 visitors a day to your website this special link to this website of freelancer will be in the download txt file!!! These very same service or offered online from \$50-\$75, but these webmasters are truly leveling the playing field making it more cost effective for the public to continually promote and market their website for quality internet traffic at a real affordable price!!
