As you know, all the traffic in the world won't make you rich if your sales pages and copy doesn't convert. Just as important is the fact that when you increase your conversions,

you make more from the traffic you already have. With better conversions, you don't have to work as hard to generate traffic. Help them make more money and they will love you! By providing solid usable information that works and you'll be building trust with your subscribers. Build trust and you have a much better chance of making many more sales.
