

# Harold: The Last Anglo-saxon King - Ian W Walker

King Harold Godwineson (c.1022-66) is one of history's shadowy figures, known mainly for his defeat and death at the Battle of Hastings. His true status and achievements have been overshadowed by the events of October 1066 and by the bias imposed by the Norman victory. In truth, he deserves to be recalled as one of England's greatest rulers. Harold: The Last Anglo-Saxon King sets out to correct this distorted image by presenting Harold's life in its proper context, offering the first full-length critical study of his career in the years leading up to 1066. Ian Walker's carefully researched critique allows the reader to realistically assess the lives of both Harold and his rival William, significantly enhancing our knowledge of both.
