Slinky kick-free tops, minimal-infused percussive grooves, late-night Rhodes and shimmering organic melodics in the most exciting release yet on our in-house label, boasting a whopping 240+ all-original tops and instrumentals. Steering away from kicks and basslines, this pack is all about inspirational song-starters, from rhythms to melodics - with every sound chosen to work together from the ground up. What's in the collection? **Tops** 100 kick-free tops at 125bpm, covering all bases in the Deep House field, from minimal synthetic workouts to organic loops that pay a subtle nod to tribal influences. Detail is the name of the game here - with superlative production ensuring all mids and highs are painted with splashes of sonic colour. Each loop is offered with up to four variants for ultimate production ease. **Melodics** 98 music loops, from dusty Rhodes progressions through moody midnight synthetics to raw all-analogue shades and sequences. Everything from song-starting backing grooves to lead lines and lush layered loopscapes are presented - all with stripped and filtered variants, and all with key and tempo information provided as standard. **Combis** 43 pre-mixed combination loops - mixing both tops and melodics, with tuned percussion mixed to tuned music loops. Ideal when inspiration's lacking or to get an idea of the flexibility of the library. All loops in the library are named to allow you to mix melodics to tops in an instant. Coming from the S2S studios you're guaranteed the sonic fidelity and warmth of our all-analogue signal path - mixed with re-sequenced loops taken from a handful of recording sessions featuring top class Rhodes and keys players. All loops are offered as 24-bit Wav loops.
