

# Husqvarna Viking 315 325 335 Sewing Machine Service Manual

## Contents

|                                                                                                      |    |
|------------------------------------------------------------------------------------------------------|----|
| Service tools .....                                                                                  | 4  |
| SETTING INSTRUCTIONS .....                                                                           | 5  |
| 1. The play of the hook gear .....                                                                   | 6  |
| 2. Setting the hook in relation to the feeding eccentric (after feeding). Version 1 - one pin .....  | 7  |
| 2. Setting the hook in relation to the feeding eccentric (after feeding). Version 2 - two pins ..... | 8  |
| 3. Belt tension, arm/lower shaft belt .....                                                          | 9  |
| 4. Belt tension, motor belt .....                                                                    | 9  |
| 5. The turning movement of the needle in zig-zag .....                                               | 10 |
| 6. The play of the worm gear .....                                                                   | 11 |
| 7. Setting the feed dog in relation to the presser foot .....                                        | 12 |
| 8. The position of the zig-zag cam follower in relation to the cam set .....                         | 13 |
| 9. The centre position of the needle in straight stitching .....                                     | 13 |
| 10. Stitch width limitation/lift height .....                                                        | 14 |
| 11. The gap between the needle and the hook .....                                                    | 15 |
| 12. The timing of the hook in relation to the needle .....                                           | 16 |
| 13. Needle height .....                                                                              | 17 |
| 14. Setting the stitch plate (the hook cover) in relation to the needle in the feeding direction. .. | 18 |
| 15. The sideways setting of the stitch plate(the hook cover) in relation to the feed dog. ....       | 18 |
| 16. The height of the hook .....                                                                     | 19 |
| 17. The lifting height of the presser foot and its parallelity to the stitch plate .....             | 20 |
| 18. Feed dog height .....                                                                            | 21 |
| Buttonhole setting, button type 1 .....                                                              |    |
| 19. The bar tack position of the buttonhole .....                                                    | 22 |
| 20,21 Buttonhole balance, the columns .....                                                          | 22 |
| Buttonhole setting, button type 2 .....                                                              |    |
| 20. Course adjustment of the buttonhole .....                                                        | 23 |
| 19. The bar tack position of the buttonhole .....                                                    | 23 |
| 21. Fine adjustment of the buttonhole .....                                                          | 23 |
| Buttonhole setting, button type 3 .....                                                              |    |
| 20. Course adjustment of the buttonhole .....                                                        | 24 |
| 19. The bar tack position of the buttonhole .....                                                    | 24 |
| 21. Fine adjustment of the buttonhole .....                                                          | 24 |
| 22. Stitch length balance - pattern stitches .....                                                   | 25 |
| 23. Lower thread tension (thread tension of the bobbin basket) .....                                 | 26 |
| 24. Upper thread tension .....                                                                       | 27 |
| 25. Setting the thread take-up spring .....                                                          | 28 |
| 26. Max. speed/smooth-running .....                                                                  | 29 |
| 27. Feed dog lowering .....                                                                          | 29 |
| Rear cover .....                                                                                     | 30 |
| Upper rear cover - 300 series .....                                                                  | 31 |
| Lower rear corner - 300 series .....                                                                 | 31 |
| Front cover .....                                                                                    | 32 |
| Sewing head .....                                                                                    | 33 |
| Circuit board unit .....                                                                             | 34 |
| Pattern mechanism .....                                                                              | 35 |
| The parts of the pattern mechanism .....                                                             | 36 |
| Feeding unit .....                                                                                   | 41 |
| Bobbin device .....                                                                                  | 42 |
| Hook compl. ....                                                                                     | 43 |
