Jillian's Job Fran Lee What good is a dream income, access to a private jet, all the perks that go with being Mike Furie's Ã¼berproficient personal assistant, if Jillian has no life? She wants a life with a man in it. And staying with overbearing, totally sexy, self-serving bachelor Mike will lead nowhere. A trip to Aspen to "rescue" Mike from the clutches of the latest woman seeking to sink her claws into him, an excess of champagne to fortify her, and she tells him what she thinks of his high-handed tactics. She's quitting. Again. So how the hell did she end up in bed with him in a Tahoe honeymoon suite, naked? Why can't she recall how her signature got on that marriage license? Mike discovers talents he never knew Jill possessed. Now he has her right where he wants her. And he wants her again...and again. In his bed and under him. But it's not all about the lust, and if he gets his way, Jillian won't be leaving his side or his bed-ever.
