Missed Ops is a book about creating a more rewarding life by learning the secrets of success from other people's missed opportunities. Candid interviews with people from all walks of life illustrate how they lost amazing opportunities by following either the good-intentioned advice of those around them or by not being decisive and taking action. Missed Ops is about seizing inspirational moments and not letting them slip away into obscurity and demonstrates strategies for breaking generational cycles of dissatisfaction, failure, and regret. Missed Ops reveals what 'woulda', 'coulda', 'shoulda' can deliver to the reader and details the pitfalls that prevent us from achieving our goals and dreams. Author: Nelson, Keith F.
