

# Onboard Stationary Train In Station (sfx Sound Effect)

[DOWNLOAD HERE](#)

This 65" stereo file was recorded on a nearly empty train sitting in a large station waiting to depart. All files on sale by Sevenleaf SFX have been recorded by professionals and are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
