Yuletide Enchantment Cindy Spencer Pape The company Christmas party goes awry in an erotic way when quiet accountant Shelby Carter is magically whisked into a miniature Victorian village with the boss's gorgeous son, Noel Holiday. Noel has always honored the policy against fraternization, but when he's trapped for several days with sweet, sexy Shelby, he decides it's time to start breaking the rules. While exploring the enchanted surroundings, they delve into their deepest fantasies, even acting out scenes from a collection of erotic Victorian postcards. After all, what's Christmas without a little magic and a whole lot of sexy fun? Though Shelby's crazy about Noel, she's sure he'll forget all about her once their interlude is over. But Noel has fallen head over snow boots in love with Shelby. Now he just has to convince her that holiday wishes can come true, and his devotion will last beyond their Yuletide Enchantment.
