"This is a major achievement. Stuckenbruck brings to bear a wealth of learning and a circumspect judgment that are truly admirable. Readers will find the transparent presentation of the text and variants helpful [...] as well as the 100 pages (!) of indices. While debate on this literarily complex part of 1 Enoch will no doubt remain controversial, no participant in it can afford to ignore Stuckenbruck's magisterial work."Lutz Doering in: Journalfo the Study of the NT 31.5/2009 "This new volume is a welcome addition to the critical scholarship on the Enochic literature and it should be consulted by anyone working with this section of 1 Enoch."J. R. Davila in: Book List - Society for Old Testament Study 2009 EAN/ISBN : 9783110204131 Publisher(s): De Gruyter Discussed keywords: Henoch, Qumran Format: ePub/PDF Author(s): Stuckenbruck, Loren T.
