All kinds of writing are covered in this useful and inspiring guide for students and aspiring writers. This pioneering book introduces students to the practice and art of creative writing and creative reading. It offers a fresh, distinctive and beautifully written synthesis of the discipline. David Morley discusses where creative writing comes from, the various forms and camouflages it has taken, and why we teach and learn the arts of fiction, poetry and creative nonfiction. He looks at creative writing in performance, as public art, as visual art, as e-literature and as an act of community. As a leading poet, critic and award-winning teacher of the subject, Morley finds new engagements for creative writing in the creative academy and within science. Accessible, entertaining and groundbreaking, The Cambridge Introduction to Creative Writing is not only a useful textbook for students and teachers of writing, but also an inspiring read in its own right. Aspiring authors and teachers of writing will find much to discover and enjoy. EAN/ISBN : 9780511282799 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Morley, David
