

# Cambridge Introduction To William Faulkner

[DOWNLOAD HERE](#)

An introductory overview of the works of one of America's most important and complex novelists. Nobel laureate William Faulkner is one of the most distinctive voices in American literature. Known for his opaque prose style and his evocative depictions of life in the American South, he is recognised as one of the most important authors of the twentieth century. This introductory book provides students and readers of Faulkner with a clear overview of the life and work of one of America's most prolific writers of fiction. His nineteen novels, including *The Sound and the Fury*, *As I Lay Dying*, *Go Down, Moses* and *Absalom, Absalom!* are discussed in detail, as are his major short stories and nonfiction. Focused on the works themselves, but also providing useful information about their critical reception, this introduction is an accessible guide to Faulkner's challenging and complex oeuvre. EAN/ISBN : 9780511389559  
Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Towner, Theresa M.
